

PIANO, WOODWIND AND SINGING LESSONS AT MULBARTON PRIMARY SCHOOL

'Music training can boost a child's intelligence, emotional and social development'

Dear Parents & Carers

We are very pleased to inform you that places are available for children at Mulbarton Primary School in year 1 and above to begin Saxophone, Flute, Clarinet, Recorder or Vocal lessons. Lessons are fun and imaginative; pupils learn at their own pace and play well known tunes and musical games that develop learning in a fun way.

Children are provided with performance opportunities in and outside of school and they also have the opportunity to take ABRSM and RockschooL examinations.

Individual Weekly 15 minute lessons are available at £7 per lesson.

Lessons are led by Lydia O'Gorman. I have lived locally for over 14 years, and during this time have taught music out of school full time, along with providing music tuition in many of the local schools, running music workshops, choirs and my own professional saxophone and piano duo. I hold a full DBS certificate and has attended up to date safeguarding training. Lydia can provide flute, saxophone and clarinet hire at a small extra charge.

This is an opportunity to take up music tuition at great value for money from a qualified and experienced teacher.

If your child is already learning an instrument with me, lessons will continue as normal, you do not need to re sign up.

Do not miss out, spaces are limited. Please return via email the slip below to the email above.
