**Do not
drop litter**

Key facts

A community can change over time. In the past, people shopped at smaller shops such as a grocer, bakery and butcher shop. Now, lots of people do their shopping online or at a supermarket.

Key facts

Homes in Mulbarton will have changed over 80 years and many houses have special features to show the changes.

Key facts

All objects in our world are living, have lived or have never lived.

Key facts

Most living things live in habitats to which they are suited to and each different habitat provides the basic needs for different kinds of animals and plants,

Key facts

Baptism is a way of welcoming someone into the religious community.

Key facts

Communities are made up of the people who live there. All people have similarities and differences but are equally important.
Everyone belongs within the community they live in.

Key facts

All animals obtain their food from plants and other animals and we can understand this idea when learning about simple food chains.
