Community
Flight
Brothers
Aviation
Aeroplane
Invention
Plants
Sunlight
Water
Nutrients
Temperature
Healthy
Growth
Litter
Tidy
Cycle

Key facts

Key facts

It is important to look after our environment. Removing litter and planting new bulbs makes the community nicer.

Key facts

There are many plants in our world and each plant is made up of parts. The main parts of a plant are called the stem, roots, flowers, leaves and petals

Key facts

A community can change over time. In the past, people shopped at smaller shops such as a grocer, bakery and butcher shop. Now, lots of people do their shopping online or at a supermarket.

Key facts

Plants need water, sunlight and air in order to survive. Conditions such as temperature and having the correct nutrients also affect how well a plant grows.
