

Journeys

This curriculum map provides an overview of what your child will be learning across the curriculum this half term.

As **readers** we will engage with the books 'Holes' and finish off reading 'Floodland' taking part in a variety of activities to support comprehension.

As **writers** we will be writing Explanation texts on how animals have adapted to their environments and persuasive texts such as holiday brochures.

In **history** we will be learning about The Sikh Empire and The Silk Road.

In **ART** our focus will be on the artist Yinka Ilori and we will be using a variety of materials to design and make our own model chairs.

As **mathematicians**, we will be learning new skills and reinforcing areas that we have previously touched on. There will be a big focus on fractions and the four operations, as well as percentages and decimals. Mrs Spilman/Mrs Longcroft will be focusing on place value and the four operations. We are consolidating our understanding of all areas of maths so that we are ready for high school.

In **computing** we will be using Canva to create a web page.

In **R.E.** we are going to explore how Muslim beliefs shape their identity.

As **scientists** we will learn all about the circulatory system.

In **P.E.** we will focus on athletics and hockey.

In **French** we will be learning how to talk about and write about 'Eating and Drinking' in French.
