13. Monitoring and review

Statement of intent

Mulbarton Primary School is committed to ensuring equal opportunities for all pupils, regardless of financial circumstances, and has established the following policy and procedures to ensure that no child is discriminated against by our offering of school trips, activities and educational extras.

In addition, we are committed to adhering to legal requirements regarding charging for school activities, and meeting all statutory guidance provided by the DfE.

The school will:

- Never charge for education provided during school hours.
- Inform parents experiencing financial hardship of the support available to them when asking for contributions towards the cost of school visits.

1. Legal framework

This policy has due regard to all relevant legislation and statutory guidance including, but not limited to, the following:

- Education Act 1996
- Children Act 1989
- The Charges for Music Tuition (England) Regulations 2007
- The Education (Prescribed Public Examinations) (England) Regulations 2010
- Freedom of Information Act 2000
- DfE 'Charging for school activities'

This policy operates in conjunction with the following school policies:

- Freedom of Information Policy
- Data Protection Policy
- Finance Policy

2. Charging for education

The school will not charge for:

- Admission applications.
- Education provided during school hours, including the supply of any materials, books, instruments or other equipment.
- Education provided outside school hours if it is part of the national curriculum, part of a syllabus for a prescribed public examination that the pupil is being prepared for by the school, or part of RE.
- Instrumental or vocal tuition, for pupils learning individually or in groups, unless provided at the request of the pupil's parent.

The school may charge for:

- Materials, books or equipment, where the child's parent wishes their child to own them.
- Optional extras.
- Music tuition (in certain circumstances).
- The use of community facilities and other commercial activities.
- Provision of information within the scope of freedom of information.

The school will make it clear that, in the following circumstances, it will propose to remit (wholly or partly) any charge which would otherwise be payable to the school:

- Extended Schools provision
- Extra-curricular clubs and activities

3. Optional extras

The school may charge for the following optional extras:

- Education provided outside of school time that is not:
  - Part of the national curriculum
  - Part of a syllabus for a prescribed public examination that the pupil is being prepared for at the school
  - Part of RE
- Transport, other than that required to take the pupil to school or to other premises where the LA has arranged for the pupil to be provided with education
- Board and lodging for a pupil on a residential visit
- Extended day services offered to pupils, e.g. breakfast or out-of-school provision

When calculating the cost of optional extras, an amount may be included in relation to the following:

- Materials, books or equipment provided in relation to the optional extra
- Buildings and accommodation
- Non-teaching staff, including TAs
- Teaching staff under contracts for services purely to provide an optional extra
- The cost, or an appropriate proportion of the costs, for teaching staff employed to provide vocal tuition or tuition in playing a musical instrument, where the tuition is an optional extra
- Administrative costs

The school will not charge in excess of the actual cost of providing the optional extra divided by the number of participating pupils. In cases where a small proportion of the activity takes place during school hours, the school will not charge for the cost of alternative provision for those not participating.

Participation in any optional activity will be on the basis of parental choice and a willingness to meet the charges; therefore, parental agreement is a prerequisite for the provision of an optional extra where charges will be made.

If a charge is to be made for a particular activity, such as optional extras, parents will be informed of how the charge will be calculated.

4. Voluntary contributions

The school may, from time-to-time, ask for voluntary contributions towards the benefit of the school or school activities. If an activity cannot be funded without voluntary contributions, the school will make this clear to parents at the outset. The school will make it clear to parents that there will be no obligation for parents to make any contribution. Parents will be notified regarding whether assistance is available.

No pupil will be excluded from an activity simply because their parents are unwilling or unable to pay. If a parent is unwilling or unable to pay, their child will still be given an equal opportunity to take part in the activity and the school will set out how places will be allocated from the outset. If insufficient voluntary contributions are raised to fund an activity, and the school cannot fund it via another source, the activity will be cancelled and this will be made clear to parents.

5. Music tuition

Instrumental and vocal music tuition is an exception to the rule that all education provided during school hours must be free. The Charges for Music Tuition (England) Regulations 2007 allow for charges to be made for vocal or instrumental tuition provided either individually or to groups of any size – provided that the tuition is at the request of the pupil's parents. The charges will not exceed the cost of the provision, including the cost of the staff providing the tuition.

Charging will not be made if the teaching is an essential part of the national curriculum.

Parents who wish their child to access additional music tuition but are unable to pay will be considered on a case by case basis by the headteacher.

6. Transport

The school will not charge for:

- Transporting registered pupils to or from the school premises, where the LA has a statutory obligation to provide the transport.
- Transporting registered pupils to other premises where the governing board or LA has arranged for pupils to be educated.
- Transport provided for an educational visit.

7. Residential visits

The school may charge for board and lodging, but the charge will not exceed the actual cost. Where parents are experiencing financial hardship, please refer to point 9.

8. Damaged or lost items

The school may charge for the cost of replacing items that are damaged or lost due to the negligence or poor behaviour of pupils or their parents. Parents will only be charged the replacement cost to purchase the same or equivalent item. The school will consider waiving costs in exceptional circumstances, e.g. financial hardship.

9. Remissions

The school will set aside a fund to enable parents in financial difficulty to send their children on visits and activities. The funding will be limited and there is no guarantee that all requests can be met. Assistance will be allocated on a needs basis, and if the full cost of the trip or activity cannot be met through assistance funding and voluntary contributions, the trip or activity will be cancelled.

Where parents are experiencing financial hardship, please speak to the headteacher. Applications will be considered on a case by case basis.

A 50% discount will be offered to those families in receipt of Pupil Premium.

10. School trip refunds

All initial deposits for school trips will be non-refundable, except in exceptional circumstances. Parents will be informed of this when they are provided with initial information about the trip.

In the event that the school has to cancel a trip due to foreseen circumstances, parental contributions will be refunded. In the event that a school trip is cancelled by a party other than the school due to unforeseen circumstances, it is at the school's discretion as to whether a refund is given to parents.

In the event that a pupil or their parents cancel the pupil's place on a trip, it will be at the school's discretion as to whether a refund is given. The school will take into account the reason for cancellation, whether the school will be reimbursed for the pupil's place on the trip, and whether the place on the trip can be offered to another pupil.

In the event that a pupil cannot attend a trip at the last minute, e.g. due to illness, it will be at the school's discretion as to whether a refund is given. The school will take into account whether the school will be reimbursed for the pupil's place on the trip and whether the place on the trip can be offered to another pupil.

In the event that a school trip is postponed due to unforeseen circumstances, it will be at the school's discretion as to what happens with the parental contributions for the trip. The school will consider its options, which could include carrying forward the money until the trip takes place, transferring the money to another trip, or refunding parents.

In the event that the decision is made to postpone a trip due to foreseen circumstances, it will be at the school's discretion as to what happens with the parental contributions for the trip. The school will consider its options, which could include carrying forward the money until the trip takes place, transferring the money to another trip, or refunding parents.

Once trip arrangements have been booked and confirmed, if contributions exceed the total cost of the trip, a refund will be given where the excess if greater than £5 per pupil.

The school will deal with cancellations and refunds on a case-by-case basis, ensuring that all pupils and their families are treated equally.

If a parent wishes to make a complaint about refunds, they will be able to do so via the Complaints Procedures Policy.

11. Freedom of Information Policy and Publication Scheme

The school's Freedom of Information Policy will set out where fees may be charged for the provision of information.

12. Lettings

All lettings are agreed by the Finance Administrator and the head teacher in discussion with the Site manager and are recorded in the lettings file and school calendar.

Casual bookings are agreed and the use of the school site is monitored by the Site manager.

Booking forms and conditions of use are issued to hirers in advance of the letting. (Termly for regular hirers.)

Invoices are authorised and issued in advance. (Half-termly for regular hirers.)

VAT is accounted for where appropriate.

Charges are calculated to take into account the following costs:

- Cost of Site manager's additional pay and travel expenses for returning to site to lock the premises after letting.
- Heating, lighting, water and cleaning costs.

Charges are reviewed annually.

13. Monitoring and review

This policy will be reviewed every two years by the Governing board. The next scheduled review date for this policy is June 2028.
