

Funfair

Summer term 2025 (2nd half)

This curriculum newsletter provides an overview of your child's learning in year 5 this half term. In this exciting topic, we will be exploring all things related to theme parks.

English

This term we will be writing an information text about Jean-Michel Basquiat which is suitable for an art gallery. The skills we will be working on are:

using relative clauses

using adverbs to indicate degrees of possibility

using a wider range of devices to build cohesion across paragraphs

link ideas using tense choices

Maths

As mathematicians, we will be completing work on position and direction, decimals, negative numbers, converting units and measurement volume.

PE

As a sports person, we will be refining our skills relevant to rounders and tennis.

Art & Design

As designers, we will be using our computing knowledge to power our very own models of fairground rides.

Computing

As programmers, we will be using Crumble programming to explore physical computing.

Online Safety

We will look at health, wellbeing and lifestyle, Privacy and security and Copyright and ownership.

Science

As scientists, we will be looking at forces and working scientifically using the knowledge we have gained across the year.

Music

As Musicians, our unit will be 'At the Movies'. We will explore movie music from the 1920s to the present day and learn techniques for creating soundtracks and film scores.

Humanities

As geographers, we will be mapping theme parks within the UK and abroad.

RE

As a theologian, our enquiry question this half-term will be:

How has a belief in Christianity/Islam impacted on art and music throughout history?

Learning for Life

We will look at a variety of health topics including first aid and physical health and

Languages

As linguists, we will continue to learn a range of vocabulary and phrases connected to a unit called Chez Moi (My Home).

		fitness.
