

PUPIL VOICE ABOUT SAFETY IN SCHOOL

Learning about rip tides and making a windsock helped me with keeping safe at the beach.

Our Learning for Life sessions help prepare you for adult life.

I know I can speak to a trusted adult if I feel unsafe.

I know not to share personal information online.

We know how to cross the road safely in Mulbarton.

Learning for Life [Zones] helps us to regulate. We can stop and think, take deep breaths, have a drink or read a book.

Everyone [in my circle time group] seemed to know a lot about online safety, including restrictions online.

I know how to be safe near roads and how to cross safely.

Learning about safety in school helps you do things safely out of school.

Don't talk to strangers. It is polite to say hi, but must keep personal information private.
