

MPS Weekly Newsletter

Friday 23rd January 2026

On Friday 6th February, we will be celebrating Number Day in partnership with the NSPCC.

We invite the children to dress up on this day in celebration of all things number. Be creative with your outfits!

We look forward to seeing all of the creations.

The children will take part in lots of number activities throughout this day, including a whole school times table mix up!

A donation link for NSPCC will be set up nearer the time and emailed out.

Despite January sometimes feeling like a grey and difficult month for many, the children have been in wonderful spirits and their beaming smiles are so infectious in spreading their cheery moods!

Gardening Club: With very little gardening to do at this time of year we took the children around the school grounds looking for lichen. The children that attended were highly engaged and found a huge variety as seen in the photo. The children used magnifying glasses and described the lichen as soft, spongy, bubbly and like mini leaves. The magnifying glasses really brought the lichen alive and the children thought it looked like mushrooms, broccoli, cabbage, cups, rotten bananas and lily pads.

A thoroughly enjoyable time. Keep your eyes to the ground and see what you can spot at this time of year!

MPS Weekly Newsletter

Friday 23rd January 2026

Friday

23rd - Year 1 Wow Day

26th - Rock Steady Concert Lower Hall
2-3pm

30th—13th April Easter Holidays

**School
Uniform**

Don't forget that you can purchase second hand uniform via the PTA uniform shop, you can email them on:

uniform@mulbartonprimary.norfolk.sch.uk.

Please can we gently remind you that uniform should be correct, this includes PE kit and that hair should be safely tied with simple hair bands and clips.

We are having children increasingly arrive in Football kit for PE days; and big or precious hair accessories that are catching on play equipment or being lost.

At MPS we pride ourselves on our uniform standards and appreciate your help encouraging this.

The PTA Spring Disco is Friday 6th March.

The poster with further details has been attached to the newsletter email for your perusal.

Reception: 3.15-4pm

Year 1 & 2: 4.15-5pm

Year 3 & 4: 5.15—6pm

Year 5 & 6: 6.15 –7pm

**NORWICH
SCIENCE
FESTIVAL**

Norwich Science Festival

Saturday 14–Saturday 21 February 2026

We would like to make you aware that there is a fantastic Science Festival taking place over half term. There are several events that can be pre-booked, and some which are free. There are also many free events taking place. It is worth popping into the Forum during that week to see what is going on.
