

# MPS Weekly Newsletter

Friday 6th February 2026

What a number fun-filled day we have had today!

We have had some very creative outfits and each class has delved into all things number based in their lessons today.

Funds raised from Number Day could help to support vital NSPCC services like Speak out Stay Safe. If you would like to donate, the link is:

## Year 6 School Trip—Student Report

*'As the bus approached Duxford, planes and tanks were displayed outside the huge buildings. Inside you could wear thick leather jackets with dark green commander hats (that were used in the second world war). There were also multiple different types of planes, such as B17, B24, Supermarine, Spitfire, P51 Mustang and more. We event went inside the Concorde. It was so fascinating and fun to go to, but my favourite was making a documentaries on things in the American hanger. We made documentaries based on pilot wear and other stuff' - By Chloe*

*'As we approached Duxford, we could see Spitfires and tanks. We we went inside, you could see lots of different planes. We even got to go inside the concord it was very old fashioned. Next we got to into a hanger where you got to put on pilots clothes and pretend to be a pilot. Alos there was lots of planes you got to see the cockpit of the plane called a Hurricane. After a long walk we got the American hanger (which was based on world war 2) In the American hanger, we got to make documentaries about planes, we did it on the B17. After lunch we got to play on the playground (which was based on planes and war stuff' - By Edward.*

## Step into NHS Day—12th March

We are looking to celebrate all things NHS on 12th March, and would love to have some input from parents/carers.

If you, or somebody you know works for the NHS, in any capacity, we would love to have visitors talk to classes about their role and experiences.

So whether you're an administrator, a midwife, an audiologist or a surgeon; whatever your role, we want to hear from you or your friends and family! Please use the form link below:

[Step into NHS Day- Volunteering to talk to a class – Fill in form](#)

## House Plant Donations

If you have any house plants that you are able to donate to the school, we would be very grateful. The relaxation room would like to add some greenery to enhance the calming ambience.

## Parking around the school site

Please can we gently remind parents/carers to not park on the yellow lines or zigzags and park considerably within the local community. Your cooperation with this is greatly appreciated.

## **Norwich Science Festival**

Saturday 14–Saturday 21 February 2026

# MPS Friday Bulletin

## Attached to this email
