Maths Cafes

We have had a lovely week with parents and carers visiting the children for the Maths Cafes for Reception, Year 1, Year 2, Year 3, Year 4 and Year 5.

Children have loved sharing their learning and knowledge with everyone. Thank you for all of you who are able to attend and make these events so much fun to be a part of.

Year 6 have their Maths Café on Wednesday 18th March 2-3pm.

Step into NHS Day

Thank you so much to our wonderful volunteers who visited the children to talk about their roles within the NHS.

We had variety of roles in the school, from a Neonatal nurse, to 111 call handlers, to commissioners and occupational health practitioners.

The children loved getting an insight into the NHS and the roles that you play.

Whole School Attendance

For the last three weeks, our whole school attendance has exceeded the school target of 96%.

In addition, 48% of our children attended school every day over the last half-term.

Thank you to parents, carers and children for your continued support.

Social Media

This is a gentle reminder; whilst we allow photos to be taken at school events, we please ask that parents/carers do not upload images to social media, especially We are sure you will understand that owing to safeguarding reasons, some children must not have their images shared on a public platform. Thank you for your cooperation.
