## Important Information

Dear Parents and Carers,

I am writing to share some important news with you about a change in leadership at Mulbarton Primary School, as well as an exciting personal milestone.

Mrs Hall has recently shared the wonderful news that she will soon be becoming a grandma for the very first time. I'm sure you will join us in congratulating her on this very special moment for her and her family.

As a result of this exciting change, Mrs Hall has been reflecting on the importance of maintaining a healthy work-life balance and taking time to enjoy these important family moments. With this in mind, she has made the decision to step down from her current full-time role from September.

Alongside the Senior Leadership Team, the governing body has given this careful consideration and firmly believes that it is in the best interests of the school to retain Mrs Hall's leadership, experience and strong connection with our community.

To support this new arrangement, we will be appointing a co-headteacher who will work alongside Mrs Hall. Together, they will each work three days a week to ensure continuity, stability and ongoing success for our school.

The recruitment process is already underway, and we will, of course, share news of any appointment with you as soon as we are able.

We are confident that this new structure will continue to provide strong leadership for Mulbarton Primary School.

Thank you, as always, for your continued support.

Warm regards,

David Hall  
Chair of Governors

## Year 1's Wow Day

We enjoyed a fantastic Wow Event for our topic 'Adventures in Toyland'.

We explored lots of old and new toys; how they move, work and the material they were made from.

In the afternoon, we made our own toys including: a spinning top, clay model, fishing game and peg dolls.

Thank you to the PTA for funding this wonderful event and for the adult helpers who came to support.

## Summer Term 1 Menu

The new menu is live on [wisepay](#) for you to book your child's meals for Summer Term. Please ensure that meals are ordered by 12th April.

Allergen menus have been emailed to Parent/ Carers last week. Your order form will need to be returned to the office by email before 12th April.

### Thank You to the PTA

We are incredibly lucky and grateful to have a wonderful PTA team who have worked incredibly hard in raising funds for the school.

Recently, the PTA have funded many wonderful events and resources for the school:

- New keyboards and stands
- Year 5 Viking workshop
- School Discos
- Instruments for music

- Year 2 Mini Monsters Day

Plus many more events and exciting resources that are to come. **A big thank you to the PTA: we appreciate you!**

## Attendance Update

Last week, we exceeded our school target with 96.7% of children attending school. We have exceeded our school target for the fourth week in a row! Thank you for your continued support.

We have also significantly reduced the number of late starts to the school day over this half term. Thank you for ensuring your child arrives punctually and is in class, ready to learn by 8.45am. A calm start to the day helps all of the children to focus and settle to their learning.

## **SEN Parent/Carer Café: 18th May; 9-9.30am** **After School Restraint Collapse.'**

We would like to invite parents of children with identified or emerging SEN needs to our next parent cafe. If you would like to attend this cafe, please fill in this form.
