## **A BIG thank you to the PTA!**

What an amazing day we had on Friday 5th June for our Summer Fayre. The PTA worked incredibly hard and despite being a small team, they managed to organise an incredible evening for all to enjoy! We are so grateful for how hard the team worked, and would like to pass on our thanks to the PTA team.

## **PTA Update**

A big thank you to everyone who supported the summer fayre. We raised £2,800! Our next event is the Year 6 leavers festival on 13th July.

Continued fund raising activities have enabled us to purchase new displays for the school which you may have seen in the upper hall or library. We understand the children have enjoyed looking at them.

We are also very pleased to announce that Luminous Energy, the operator of the Bracon Ash Solar Farm, have approved our grant application for £4,000 as part of their community funding programme, for new iPads and laptops in school. This technology will help support adaptive teaching at school, promoting independence and reducing adult reliance for children where writing can be a barrier to learning.

Watch this space for details of our AGM next term. We will discuss next years events and how you can get involved.

## **Year 6 Residential to Norfolk Lakes**

The children have had a jam-packed few days away at their residential, with lots of fun activities. Next week we will share photos and reports from the children.

All the children that have taken part have shown great team work, sportsmanship and resilience. Our mixed team (Mulbarton Mavericks) came 4<sup>th</sup> out of 5 teams. ## Hats and Suncream!

Children need to come to school with a water bottle, a sun hat and having had suncream applied before school. Children may bring sunglasses if they wish. Please don't forget to send a raincoat as the weather is still changeable. Please ensure every item is named. —Thank you!

**Year 3 Shakespeare Workshop** Year 3 had an amazing time on Thursday with our Shakespeare drama workshop. We learnt the story of 'A Midsummer Night's Dream' and had a go at acting out certain parts of the play with some fun games too. Ethan in Barn Owls shocked everyone with his incredible performance at the end! Sophie even said, 'I didn't like that it wasn't long enough!' Thank you to our wonderful PTA who funded this experience for us; the children had a great time.

## Attendance Updates

Well done to Dolphins and Ladybirds. Their attendance last week was 99.2%.

**Punctual starts** We would like to remind you of the importance of punctual starts to school. Last week, across the school, 1318 minutes of learning was lost owing to late starts to the school day - that's nearly 22 hours of learning.

Please ensure your child arrives between 8.30 and 8.45. our 'soft start' enables your child to have an opportunity to settle to morning activities, talk to the classroom adults and find out about learning for the day so they are ready for learning after a prompt registration at 8.45am

A gentle reminder to parents/carers, that dogs are not permitted on school site. We have had an increasing issue with dog foul around the entrance gates that is being left for school staff to clear up. Please help us to make the entrance to school for the pupils clean and safe.

## Year 6 Leavers' Performance

Tuesday 14th July at 5pm

Wednesday 15th July at 1.30pm

More information will be sent nearer the time.
