Norse Allergen & Intolerance Information

Moving forwards, we will no longer be able to offer adaptations to school meals to accommodate food intolerances. If your child has a diagnosed allergy, you can request a special diet/allergen form from Norse using the following link: [Forms Template](#)

If your child has a food intolerance, please refer to the allergen tick list available on the Norse Catering website (www.norsecatering.co.uk). This provides information about which meals contain allergens, such as dairy, allowing you to select the most suitable meal options for your child.

We have also noticed an increase in children requesting alternative meals because they do not like their chosen lunch. Unfortunately, we are only able to provide the meals that have been ordered in advance. We therefore ask that you discuss the menu options with your child before making their meal selections.

Thank you for your understanding and support.

Wisepay

Firstly, Wisepay themselves wanted me to pass on their apologies for their error last weekend when parents were not able to access their accounts.

This has all been resolved and parents can log in as usual to order meals for the coming weeks.

If you ordered meals for your child this week via the form (as you were not able to order meals in the usual way,) you will find a payment in wisepay under 'general items' that will start 'w/c 5th October' and your child's name, This cost should be for the lunches for this week that you were not able to book in the usual way. Please make this payment before October half term.

Parents Evening Dates

- Tuesday 20th October 3.30-6.30pm
- Thursday 5th November 3.30 - 6pm

You will have received an invitation to set up a log in for the Juniper App. You will need to create a log in to be able to book parents evening appointments. Next week you will be emailed the invitation letter, containing further information about how to book. The bookings will become live later on in the week.

Break time Snack

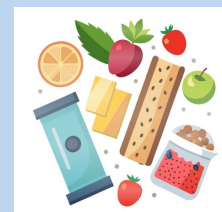

Reception - Year 2:

Children in Reception until year 2 receive a snack provided by the school, which is government funded. This is usually fruit or vegetables.

Year 3 - 6

If you wish, your child can bring a small snack for breaktime. This should be a healthy, nutritious and filling snack; fruit, vegetables, crackers etc.

We are an allergen awareness school. Please ensure that snacks and lunches do NOT contain nuts.

Communicating with the School

When emailing the school, please include your child's first name, surname and class.

If you are emailing urgent information for the day, please email before 8am.

SEN Café – Zones of Regulation

The café will be held on Tuesday 10th November between 9; and 9:30am. The theme for this café will be Zones of Regulation.

Following the café there will be an opportunity to enjoy a drink and biscuit with other families and the chance to speak to Mrs Jennings. If you are planning to attend, please complete the forms links below:
