Ofsted Update

To follow on from our email that we sent to parents on Wednesday. Thank you to all Parents/Carers who completed the feedback form.

We were so proud of our children this week. Once the report has been published, we will share this with you all.

Odd Sock Day - Monday 16th November

Children are encouraged to wear odd socks; the brighter and more fun, the better!

Odd Sock day celebrates individuality and helps to start conversations about bullying, respect and inclusion. At Mulbarton Primary School we celebrate our differences and will learn all the ways that we are inclusive in our school community. Children will also talk about treating others with kindness.

Scholastic Book Fair

The Scholastic book fair is held in the Lower School Hall. Thi can be accessed using the lower school playground double doors, or via the school carpark.

Parents and carers will have the opportunity to purchase items that are in stock.

Payment will be **card only**

- Monday 16th November 3-4pm
- Tuesday 17th November 8 - 9am

Children in Need

Today we celebrated Children in Need. Children came in in non uniform and completed mini challenges in class. There were lots of spotty children today!

Panathalon Competition

Panathlon Bowling Champions!

A group of children from Years 5 and 6 represented Mulbarton this week at the Panathlon Bowling Event, competing against other schools from across the area. The children showed fantastic teamwork, determination and resilience throughout the competition; supporting each other and encouraging the team. We are delighted to announce that, for the first time ever, Mulbarton won the event with an incredible score of 810 points! We are extremely proud of how the children represented our school. Their positive attitude, sportsmanship and enthusiasm made them excellent ambassadors for Mulbarton. Congratulations to everyone involved!

Colder Weather

Please ensure that your child has a warm, waterproof coat with them each day in school, as well as wellies in a named carrier bag. As the weather gets colder, gloves, hat and scarfs would also be advisable. We would recommend that a spare set of uniform in a carrier bag is left in your childs school bag, incase they fall in any puddles or mud during play times.
Please ensure that; all items your child brings into school, including unform, school bags and spare clothes are named.

Parking in our Local Community

Please park considerately around the school. We have had a number of complaints from local residents, concerned about the parking and the safety of the school community on their journeys to and from the school site. Please remind children about road safety when crossing the road and to walk on pavements, where available.

Please ensure that you are not parking on zizags, double yellow lines or blocking access to local residents' properties.

Poor parking can be reported on the Norfolk police website, under reporting antisocial behaviour:
